Connect-A-Dock Inc. warrants to the original owner all polyethylene plastic components for eight (8) years from date of purchase to be free of defects in material and workmanship and to perform properly under normal usage and when fully assembled according to the instructions provided at the time of purchase. All other accessories have a one (1) year limited warranty. Warranty is only valid in U.S.A. and Canada. Should you have a warranty claim, we may require that you provide a photograph or, in some cases, return the Connect-A-Dock part to the place of purchase. In order for warranty to be valid, original sales receipt must accompany warranty claim. NOTE: Shipping costs are not included in warranty. \*Fully Assembled: Install float connectors into all float section sockets where other float sections will be attached. NOTE: All plastic has an inherent tendency to create static electricity. If you have a concern, contact us at Connect-A-Dock. Connect-A-Dock reserves the right to make changes without prior notice.
